TOLTUCC REMINDERS

Care for Church Spaces—Just a friendly reminder to please clean up after you or your group has used a space, especially the kitchens. We're always hoping to prevent any ant or rodent invitations and sometimes this may mean to leave a space better than you found it. Thank you for your consideration of our shared spaces and each other.

AA and Al Anon—Every Thursday All welcome Al-Anon in Plymouth Hall at 7pm and AA in Pilgram House Basement at 7:30pm.

Live Stream of Worship: If you are unable to attend worship in person, please view via livestream at <https://toltucc.org/> (allow a couple days for most recent service recordings posting).

Need a ride to get places? Check out Snoqualmie Valley Transportation! A great resource if you need to travel within the Valley. It's just \$1 (suggested donation) and operates until 8pm. You can catch SVT at an established bus stop or contact them for door to door or appointment transport. SVT phone and website (425) 888-7001 and svtbus.org

Local Roots Farm Store

It's Sunday and we are open today until 6 PM. We've had so many kind offers of help and truly, at this point the best way to help our particular farm, in our particular situation is to come by all of your holiday gifts at our store. We are starting to clean up and access our stored produce, but we are not ready for many hands yet. With another flood coming in a couple days, the thing that's really hurting us right now is road closures and the difficulty of people outside the valley reaching our store in the ordinarily-busy holiday shopping season. Thank you all so much for keeping us busy and eating all our vegetables!
