Hello Everyone, I'm sure we are all so very grateful for the warmer weather and more sunshine and daylight as our spring has begun to become fully in bloom. I truly enjoy this time of the year as the days grow longer and even after work, I can return home and still have so much daylight to finish my chores around the house. The beauty in all the colors and the variety of green we see in our PNW is quite amazing. I know as we are looking forward to the continuing of warmer days and shorter nights, we have many friends, family and neighbors that need our prayers and help as we continue to serve our community. One thing I so appreciate about our church and church family is how we are very involved in our community. Please keep up all the good and hard work because it is so important.

A few housekeeping duties. If you are in one of the many church committees, please let your chairperson for your committee know if you are able to continue in the same capacity for this next year. We also need more volunteers to help with the church lawn care, and the signup sheet is located outside of the main office on the bulletin board, or you can call or email the office or myself, and we will gladly add you to the calendar. The month of May is here, and we do have our Tolt Congregational Annual meeting on June 7.

Sincerely Your Moderator,
Glenn Mayer

From Worship and Music Committee

We are wrapping up another wonderful year of music and worshipping together. Looking forward for more great music to come. Thank you to all who participate with not only singing but offering your time to be a reader and usher during service. We would like to invite and encourage all that would like to take part in contributing to the Special Music Time during service - Let's call it Special Sharing for now! Taking part in service is a wonderful way to feel connected. Please talk with Anna Tinker or any of us on the worship and music team to answer question or help you get started. We have lots of slots to fill in and would love to hear from you. Also, if you feel you would like to join the choir, we would be thrilled to have you join in.
