**CELEBRATE
COMMUNITY**

Hello Everyone,

How did summer go so fast? Sonia is hoping the upcoming weather holds some warmth so her tomatoes will ripen. Anna is glad that her kids are back in school.

With the end of Summer we begin Fall and our programming year. This brings all kinds of ways to get involved that match your particular talents and schedule. This is a great way to develop relationships with others in the church beyond the few minutes of fellowship at coffee hour. There are no binding contracts, so try out a new committee or volunteer opportunity to see if it works for you!

Consider praying on it. God gave you talents AND this wonderful church community where you can share them. See where God is leading you to get involved.

This time of year also includes beginning of Faith Formation. With some changes to our Faith Formation leadership, there will be more opportunities for involvement with our children and youth. If you would like to become more involved -- even if you don't have young kids! -- please reach out to Sarah and Dana. The programs are planned in advance, so you don't have to put any time into the preparation. We would love to see wider congregation participation, so you can get to know our kids and they can get to know you.

Have a great start to school and make the most of the sunshine!

**With Love,
Sonia and Anna**

Sisters in Spirit (formerly Women's Fellowship) will meet Sept 19 at 9 am. Come and share the stories of Tolt's sisters in spirit from our history.
